Dr Justin Boey
Medical Director - Sozo Aesthetic Clinic

Dr Justin Boey is fully accredited by Singapore Medical Council's Aesthetic Practice Oversight Committee. He received his Bachelors of Medicine and Surgery from National University of Singapore followed by his Certificates of Competence in Aesthetic Medicine. His professional memberships include American Academy of Aesthetic Medicine and American Board of Laser Surgery.

Experience & Training

Dr Boey's work experience includes the National Skin Centre and 2 other established aesthetic clinics in the CBD. Besides being trained in Seoul, Korea for Lasers, he was also trained in Botox, Fillers and Thread-lifts in London and Boston. Dr Boey obtained his post-graduate diploma and masters degree with distinction from the American Academy of Aesthetic Medicine and Queen Mary University of London respectively. He completed his posting in plastic surgery at Harvard Medical School's teaching hospital, Beth Israel Deaconess Medical Centre, on scholarship. Having an ethos of excellence, he served his military service as a Commando medical officer.

Committed to Excellence

Pioneer group of doctors in Singapore and South-East Asia to be personally trained in Lutronic PicoPlus laser and Ultraformer III HIFU by Korean Key Opinion Leaders.

An advocate for research, Dr Boey completed research stints at Imperial College London and the National Skin Centre. Notably, he presented his research on skin cancer at the World Congress of Dermatology in 2015. He is a regular contributor to DoctorxDentist.

Dr Boey's key interests are lasers for Pigmentation, Acne Scars and Facelift. Having performed more than 5000 laser treatments, he is a Key Opinion Leader for Enerjet 2.0 for Acne Scar removal. He is the first doctor in Singapore and South-east Asia to offer PicoPlus laser. He is also the Key Opinion Leader and Physician Trainer for Stylage Dermal Fillers.

A perfectionist at heart, he combines a keen eye for aesthetics and steady hands to achieve natural and harmonious results.
